### SENDING TRIBUTE:

Sending a tribute along with your record refers to the fees or contributions that accompany the filing process. These funds go directly to the Assembly and are used to cover the labor involved in managing records, the cost of materials (such as paper, stamps, digital storage, etc.), and any additional surplus which accumulates to support the ongoing operations or collective needs of the Assembly. This system ensures the Assembly is resourced to provide proper stewardship and secure maintenance of member records, while keeping the process self-sustaining and beneficial for the entire community. Note: MT = Minimum Tribute
